LayBy–By Lay...

I was on a trip and I hate long journeys in the car (even with my horny husband) so I always take along my trusty vibrator.

So there we were zipping along country lanes on a warm Sunday evening, my feet on the dashboard, frantically frigging myself to one orgasm after another.

Hubby was trying to keep his attention on the road, but his eyes kept straying to the slick sex toy plunge in and out of my glistening wet pussy.

The juices collected in the cleft of my arse and soaked into the seat.

It was all becoming too much for him – his breathing was getting heavy and he had a bulge in his jeans like a second gearstick.

I was gagging too now so we pulled over.

Once out of the car I squatted down and had his jeans down and his throbbing cock in my mouth in a flash.

Sucking up and down his thick shaft, his balls were slapping against my chin.

At the same time I had three fingers buried in my pussy and was flicking my aching clit with my thumb.

I really needed to be fucked now and got on all fours, presenting my arse and dripping fanny to my husband.

He pushed his cock up my hole and fucked me with long steady strokes.

We were so far gone that we didn't realise we had an audience.

If the bloke's dog hadn't barked we would never have realised he was even there.

My hubby stopped mid-thrust and looked over his shoulder.

He'd been there long enough to tie up his dog and get his meat out, wanking it slowly as he watched us fuck.

Hubby told me what was happening but I wasn't stopping for anything.

I waved the man round the front so I could see him as the thrusting started again.

I'm a greedy cow though, so watching wasn't enough.

Soon I was sucking off a complete stranger while getting fucked by the side of the road.

My hubby decided this wasn't enough and after lubing my arsehole with my own juices started to push the vibrator up my bum.

This is guaranteed to bring me off and I started to buck and shake as a huge climax ripped through me.

This started the stranger off. I felt him stiffen and groan as he pumped his load down my eager throat.

Hubby kept force-feeding the vibe up my tortured, twitching back passage.

I was sucking every last drop of cum out of my new-found friend's prick while my husband let out a low groan and wave after wave of spunk flooded my pussy.

He pulled out as he softened and released the vibe from my arse with a wet pop.

The dog walker zipped himself up, untied his dog, said his goodbyes and walked on.

I was still on all-fours, gasping for breath with my freshly-used pussy and arse cooling in the breeze.

I knew I should get cleaned up and continue the journey but I was enjoying this feeling too much to get back in the car for a while!

Sue, Yorks.

Lucy

By and large, if a girl tells you she's got the decorators in that's not great news, but if the decorators happen to be as tasty and horny as Lucy here then that's quite a different matter!

"Oh yes, I always make sure I do a good job whenever I I'm required to do a bit of home improvement – don't you agree?"

Umm, it's hard to tell – you haven't really done any actual painting yet, but we'll give you the benefit of the doubt!

"Don't be silly! I'm not going to do any actual decorating – I'm terrible at that sort of thing! No, the way I like to improve a home is by stripping off in it and giving everyone a good eyeful!"

Well that's definitely better than a lick of paint!

Feel Lyn Randy!

My girlfriend and I love reading your letters. We thought they were made up, until an unbelievable event happened to us.

My girlfriend and me were in a club, as we are most weekends. She was wearing a clingy red dress with no underwear.

We had a great night in the club, with blokes of all ages ogling her and wanting to fuck her brains out.

We left at about 2 and parked up at the all night cafe next to some bloke drinking coffee.

We were both really horny, so Lyn undid my trousers and sunk her lips down over my erect cock.

She was kneeling on the seat with her arse facing the other car. I hitched her dress up and started playing with her cunt.

I could see the other guy getting out of the car. When I told Lyn he was by the window wanking, it excited her even more.

I asked her if she wanted this stranger fingering her, and she just moaned. I undid the door and the bloke sat on the edge of the seat.

He had two fingers up my bird's cunt and was wanking his cock.

Then he looked at me and told me he was going to give her some cock.

With that he rubbed his cock up and down her slit and eased inside her.

I was so turned on watching him fuck my bird that I shot my load.

Lyn swallowed my muck, and moaned with every thrust of the stranger's cock. His pace suddenly quickened and he pulled out and spunked over Lyn's arse.

She licked the spunk off his cock before we hurriedly made our way home, shocked and excited by what had happened.

Mark, London.

You can't beat a lock-in at your local boozer, can you? And as well as a chance for a couple more sneaky pints, regulars at Eva's regular haunt just outside Manchester quite often get treated to a bit more than that...

"Well, a few drinks always make me frisky, and my fella's not the jealous type, so yes, there have been one or two occasions when there was a lot more head going around than the frothy stuff on top of the pints!"

Window Reamer!

I have just started a new job and have had the best lunch hour of my life!

At my new job there is a full-time window cleaner who is sexy as fuck and has the most amazing body.

I spend most of my day imagining him fucking me hard against the glass all soaped up.

So at a works do I put on my tiniest skirt and lowest-cut top and plucked up the courage to ask him out.

To my pussy's great disappointment he told me her had a bird already and although tempted didn't want to fuck around.

The weeks went by and even though I knew he was off limits, I still spent my days slipping my fingers inside my sopping wet cunt fucking myself in the ladies, imagining all the shagging we should have been doing.

Last week, having realised I had not been shagged in months, I decided to leave my knickers at home and put on my sexy mini.

I was having my break in the tearoom when John came and sat with me. Turns out his girlfriend cheated on him and he was thinking of a reason to stay with her. With a dirty smile I spread my legs and gently took his hand.

Moving my chair right up to his, I pulled his hand right up my skirt so it was skimming my bare cunt. Leaning in, I whispered, "Here's one reason not to stay with her!"

His jaw dropped and I got up and went back to my desk, my cunt dripping with excitement.

For the rest of the day all I could think about was his cock slipping in and out of me.

Unable to concentrate on my work I made my excuses and left early. As I was walking down the fire escape stairs I saw John waiting at the bottom staring up at me, hand clasped round the crotch of his jeans.

One look in his eyes and I

knew those weeks of fantasising were about to be made real.

As I reached the bottom of the steps he grabbed me and pushed me into the storeroom.

Locking the door, he unzipped his jeans to release his huge bulging cock.

Without saying a word he pulled up my skirt and bent me down over the desk.

Getting down on his knees he plunged his tongue into my pussy. Gasping with pleasure and grabbing at my peaked nipples I came hard.

I knew now it was his turn to be fucked like crazy. Kissing my cum off his face I eased my pussy deep down onto his gorgeous cock. He felt amazing so deep inside me, better than my imagination from the past few weeks.

I pounded down on him hard and fast as he moaned for me to shag him harder.

I told him that I wanted him to cum in my mouth and on my tits.

It didn't take long before I was guzzling down his love juice and rubbing my wet cunt as I came again.

It was the best fuck I had and certainly made up for the years with my husband.

I don't know if John is back with his bird or not but every Wednesday on my way down the stairs he is there, cock ready for my eager pussy!

Christine, New Malden.

VICKIE WILL MAKE YOU STICKY!!!

Do they still have lion-tamers in circuses these days? Animal welfare concerns probably mean it's one of the things that have gone west now, like dancing bears and cockfights, but if that's the case we reckon we've found the perfect replacement! OK, so perhaps you wouldn't want your kiddies watching Ella and Zara going through their routine, but then was making them watch a bloke in a cage with a wild beast ever a particularly good idea in itself? And talking of wild beasts, Ella's certainly in need of a bit of taming, but hopefully tucking into Zara's ginger snizz should satisfy her graving for human flesh...

REAL WIFE SEX

Saucy Sara can't help but cheat with Pete...

"He watched as I parted the lips of my pussy to expose my clit. It was bright red with desire..."

I recently started having an affair with a married guy. Pete lives a few miles from my home and is the horniest guy I have ever set eyes on. His wife is gorgeous too, but she's an air hostess so she's away a lot of the time and it seems Pete can't handle not having sex for a few days, which is where I come in.

At first I felt bad for sleeping with another woman's man, but I'm very highly sexed and my hubby's never been able to satisfy my needs. When Pete told me it was his birthday and his wife was away, I decided to succumb to the prior flirting between us and give him an unforgettable present.

I drove to his house, dressed in matching black stockings, suspenders, tight mini-skirt and bra under a tight black top. My panties were, barely covering my pubic hair. I covered all of this with a black coat so as not to cause a stir with his neighbours!

Pete opened the door, already semi-hard at the thought of what he would experience. We kissed deeply and his sexy tongue darted into my mouth. He had just showered and was wearing a dressing gown to give me easy access to his cock.

I removed my coat in the hallway and watched his face in the mirror as he stared at my breasts trying to escape from my top. I turned away and bent down to remove my shoes, feeling his eyes staring at my bum as he took in the tightness of my panties. They barely cover my cheeks and he started to touch my bum but I stopped him immediately. Today I would be in control.

I kissed him hard on the mouth and then held his hand to lead him into the lounge. Pete sat down on the settee and I stood in front of him and began to undo my top. I kept it on but pulled the material aside to give him a good view of my bra. Pete could see my erect nipples very clearly through the lace and I traced their outline with my wet fingertip. I moved closer to him but remained standing and lifted up my mini-skirt to give him a great view of my soft, creamy thighs and tight panties. I stepped closer to him and my pussy was so close to his face, he could smell how turned-on I was and his cock grew harder. I gently stepped out of my skirt and he could see my tight panties were crotch-less. We said nothing to each other but kissed again, turning ourselves on even more.

Without warning, I stepped back and started to move sensuously to the music paying on the TV. I gave Pete his own floor show and he was mesmerised by my tits swaying as my body moved. I became his private dancer as I slowly removed my top and pulled my bra straps down. I raised my hands above my head before reaching behind my back to undo my bra. My tits spilled out and I play with each

Suddenly I felt his hard cock against my open cunt and he was inside me again, fucking as hard and fast as he could. Pete squeezed my arse and hanging tits as he fucked me and we both cried out in exquisite pleasure until I felt his hot spunk spurt deep inside my engorged pussy and I came once more with a gigantic shudder.

I do feel guilty, but I know that great sex is always on the cards with Pete, and nobody's getting hurt.

nipple in turn, still gyrating to the music. I moved my left breast into my mouth and moaned softly as I used my tongue to lick my stiff nipple to turn myself on. Pete's cock grew and he started to wank with his eyes locked on my tits.

The track ended and I stepped forward towards Pete, who was still sitting on the settee. His gorgeous cock remained erect and a drop of pre-come oozed from its tip. I stopped him wanking and pushed him back. He did so without any resistance and I moved my body closer to his.

Without warning, I knelt beside him and he watched as I parted the lips of my gaping pussy to expose my clit. It was bright red with desire and he watched as I stuck three fingers into my aching, gaping hole. I removed my fingers and offered them to Pete to lick. He gobbled my juices and demanded more. Still kneeling, I moved towards his face and lowered my swollen pussy onto his willing tongue. He licked my cunt rhythmically as his hands rested on my pubic hair. His lips kissed my dripping pussy and he pushed his tongue deep inside me. Within minutes, I screamed with pleasure and came again and again.

Pete sat up, tore off my soaking panties and grabbed my suspender belt hard. He pulled me upstairs to the bedroom, pushed me onto his king-sized bed and I turned to look in the mirror as he pushed his massive cock deep inside me. He totally filled my twat, stretching me wider than I'd ever been before. After a few minutes of fucking hard, Pete turned me over onto my knees and parted my sopping wet pussy with his fingers.

Anna

I get the distinct impression that Anna Joy he's rather proud of her magnificent pale milkers, and I don't really blame her - they're a cracking set that simply demand to be shown off in the nation's favourite scruff mag!

"I guess am pretty proud of them yes! One way or another they guarantee I get plenty of attention whenever I walk into a room – even if they're covered up I can see eyes roving in my direction at my straining top!"

I bet they put a few pairs of trousers under strain, too!

"My fella's a bit of a handyman, and he's also pretty handy with a camera!" says Jay, 27. "But thanks to his ever-ready cock, I don't have to worry about DIY too much!"

Tiffany

We're used to having the table laden with tasty treats at this time of year, but when it comes to tasty treats, sprouts, parsnips and pigs in blankets don't come anywhere near matching Tiffany here, do they?

"Oh, pigs in blankets! I can't eat them any more," says Tiff. "I stuffed myself so full of them one year that just the thought of them turns my stomach now!"

Fair enough – so is there anything else that you'd rather have instead?

"Well, I can never get enough stuffing!"

Jessica

What better way to end the day – or the issue of Escort – than with a nice relaxing sauna in the company of busty Jessica Moore? If she can't ease away your worries and cares using nothing more than a small bottle of massage oil and those mammoth milkers, then you really are far too strung out indeed!

"I've never met anyone yet who was that strung-out!" she laughs. "I don't need any massage oil, though, just give me five minutes and I'm sure I can get the job done!"

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately there's not always one to hand, so here's what they like to get up to in the absence of the real thing...

06. Keri

"With my massive jugs, selection of toys and craving for cock, I always make sure my fella's satisfied!" says Keri, 28, and we believe her!

Kira

Once the weather's started perking up a bit (so late February, these days), you can't beat a nice stroll in the country to blow the cobwebs away – especially if it's with one of the horniest women in the business, the ever-randy Kira Queen! For most walks the highlights would be spotting a couple of magpies or maybe a crested grebe if you're lucky, but with Kira you'd be sure of much more memorable afternoon thanks to her habit of taking off her clothes and satisfying herself with a handy vibrator she brought along specially!
